

Carbon Cycle Game

- 1) Using your data, do a bar graph for the station you've visited
- 2) Record the class bar graph

Analysis :

- 1) According to our activity, what are short and long term stores?
- 2) Why are some stores keeping carbon atoms/molecules longer than others?
- 3) Explain how human activities have influenced the carbon cycle?

Carbon cycle - Class Results (half the class)
